NOTICE …

November 12, 2026

We received a notice from the TRCA about an upcoming Public Drop-in Event:

The Erosion Risk Management Team at the Toronto and Region Conservation Authority (TRCA) is hosting a drop-in session to share information about future shoreline protection work at Tommy Thompson Park, soon to be known as Tommy Thompson Nature Reserve, and introduce current priority erosion projects being planned at the Eastern Shoreline and Peninsula D. At the event, their project team will be available to discuss the project and answer any questions. No presentation will take place during the session.

This project is completely **separate from the Visitor Experience Plan**.

Event Details:

Date: Tuesday, November 24, 2026
Time: 5:00 p.m. – 7:00 p.m.
Location: *Ralph Thornton Community Centre at*
765 Queen Street East, Toronto, ON

The flyer for this event is on the following page, for more information.

Event details are also available online at **trca.ca/ttp-eastern-shoreline.**

If you are unable to attend, the event panels will be available on their project website.

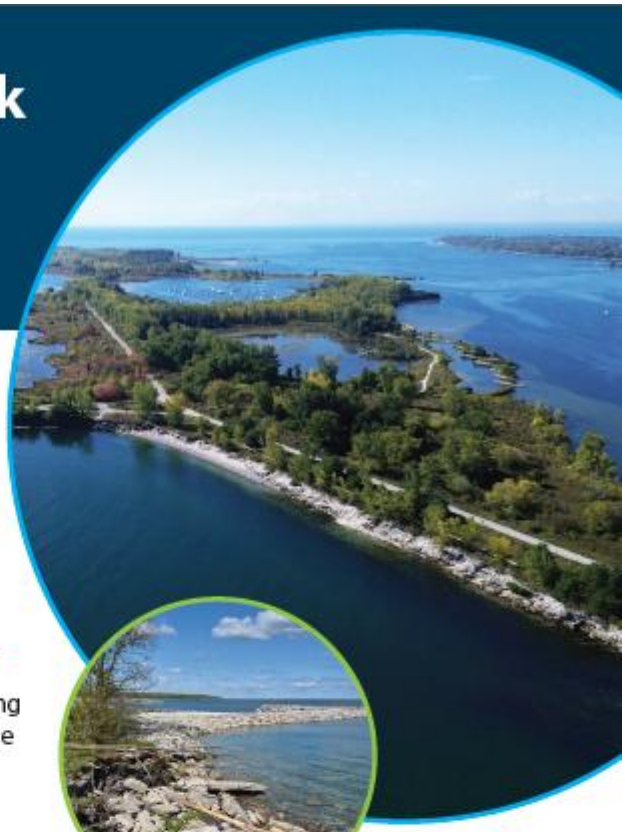

For more information regarding this project, please get in touch with their Project Team at:
